

The Hollins Technology College

Adult Science Evening Course

Thought about a career in Science?
Interested in Science and want to
know more?

Need an extra GCSE qualification?

The Hollins Technology College is delighted to
be able to offer a GCSE Science course starting
from September 2011

When?

Every Tuesday night 6-8 pm

Cost?

£150 for the year (payable at £50 per term).

What course?

We want to offer you the course you really want to do and listed below are a
few options. We want you to let us know which one interests or suits you best
and we will run the most popular option.

GCSE Course options:

1. Human Health and Physiology
2. Astronomy

If you are interested in participating in one of the above courses or if you
would like additional information, please contact **Mrs J Shervey** :
