

The Hollins Technology College

A High Performing Specialist School

Headteacher: Mr S Campbell BEd Hons

11 January 2012

Dear Parent/Carer

BAG2THEFUTURE COLLECTION

I wrote to you before the Christmas holiday outlining our plans to start fund-raising for a sports hall at the Hollins. Our plan is to start raising money through the Bag2TheFuture collection which is ready to start now. To assist us in raising money for the school we are asking you to collect and bag (in the collection bag provided or in a black bag if you have more goods) unwanted, adult's and children's clothing, bedding, paired shoes (tied together), curtains, soft toys, belts and handbags (NO BRIC-A-BRAC PLEASE). A company called Bag2TheFuture will collect the unwanted items and recycle them across the world where they are needed and will pay us 50p per kilo for these goods.

We would greatly appreciate your help in this and by going through your wardrobe and storage and identifying any unwanted items you will be assisting us in this venture. It may be that post-Christmas you are able to throw out items that have been replaced by Christmas presents and this would be the perfect opportunity to tidy your wardrobe and support your child's school.

Eco Schools[®]

Bags can be brought into school on either, Thursday 19th January, Friday 20th January or Monday 23rd January, which is the day they will be collected on. On the day your child brings their collection in, they should take it to the covered way during registration time from where it will be stored until the collection day. If anyone has a large donation that cannot be brought in by their child please contact school on 01254 233500 and we will make arrangements to get the items to school.

Once again, I would like to thank you for your support in this matter and I will let you know how much we raise once I am informed by the company.

Yours faithfully

S Campbell
