

Mr Campbell Headteacher

I am delighted to hear that you will be joining us in year 7 in September.

We hope this will be the start of five great years for you at The Hollins. Before you start we would like to give you as many opportunities as possible to get to know your key members of staff, ask questions when you are unsure about something and visit the building to get used to your new school. The key dates for you are below:-

Induction Day – Thursday 6 July 2017 9.00am-2.45pm

Information Evening for Parents and Pupils – Thursday 6 July 2017 7pm

Summer school – Monday 24–Friday 28 July 9.00am-1.00pm (information about this has been posted to you).

First day at The Hollins - Tuesday 5 September 2017 8.45am

During the last half term before the summer holidays our staff will be visiting your primary schools. Miss Pilkington, our year 7 coordinator, and Mrs Cirino, our SEN manager will be coming to see you to welcome you as a new member of The Hollins and also speak to your teachers to find out more about you.

This will also give you the chance to ask your questions if you can't find the answers in this booklet. You will have another chance to ask your questions when you spend the day with us at The Hollins on Thursday 6 July.

You and your parents will also have a chance to ask questions and find out more about the school at the Information Evening following the Induction Day on Thursday 6 July.

We want you to be well prepared when you start at The Hollins in September and taking part in all these events is the best way to do that.

Our fabulous Summer school will also give you the chance to meet the rest of your year group, make new friends and work with The Hollins staff during a week of fun activities. Being in school for this week will also help you find your way about when you start in September.

I hope all our pupils will be happy and successful at The Hollins.

Miss Pilkington - Year 7 Coordinator

My name is Miss Pilkington I will be your head of year whilst you are in year 7. I am very lucky to work at The Hollins Technology College and I want to ensure you have the best possible start to your Hollins career as you possibly can. My job is to support you, to maintain standards within our year group and to ensure that you thrive in a respectful environment. Year 7 is the foundation to secondary school so I will actively encourage you to embrace new activities, make new friends and begin to build your future, so I expect you to work hard and be the best person you possibly can be. Your form tutors and I look forward to seeing you all in September.
