

5th July, 2017

Dear Parent/Carer

I am writing to inform you of the final arrangements for this year's summer school. We have a fun packed week with a wide range of activities being taught by our fabulous teaching staff. The dates are Monday 24th July to Friday 28th July, 2017 and the sessions will run from 9am to 1pm.

Pupils will be expected to arrive on time and ready to start promptly at 9am. They may bring a snack and a drink (no fizzy pop), water will be available throughout the day but there will not be any facilities available to buy food and drinks in school. Please could we ask that your child does not bring any nuts, Kiwi fruit or strawberries in snacks because some pupils have a severe allergy to these and we must ensure their safety.

Pupils may wear their own clothes throughout the week, however on the days that they are taking part in PE sessions it is expected that pupils will wear tracksuit/shorts and trainers. On the final Friday all pupils will be taking part in Forest School. These outdoor activities will include: den building, team building games, campfire cookery and fire lighting and will require all pupils to bring a change of footwear, either walking boots, wellies (or old trainers) and suitable clothes for the weather expected on the day. They will get muddy, do not wear clothing that you want to stay clean and also bring a carrier bag to put muddy shoes in.

Below is a timetable of the activities for the week. Pupils will be allocated their group on the first day.
